

scale to a little larger than 100% and measure the test square until you get the true size

- After printing the pattern, cut the pages along the lines with scissors icon, align and

tape the pages according to their sequences. For example, pages 1A, 1B, 1C, 1D... are line up in one row from left to right, pages 1A, 2A, 3A, 3B... are lined up in one column

- You can find photo instruction for printing sewing patterns on Tiana's Closet website:

- Always print the first page of the file and measure to avoid waste of paper.
