PRINTING INSTRUCTIONS

Tiana's Closet sewing patterns are made in standard PDF format, which means all files are saved in one file and can be shown or hidden. It is recommended to use Adobe Acrobat Reader (available on Mac, PC, and on the cloud) or Foxit Reader (free, works on Windows only) to avoid the file corrupting. In order to choose the correct units, go to 'Tools' > 'Page Setup' > 'Units' > 'Inches' or 'Centimeters' for the correct units and to the correct of size.

When printing the pattern, go to 'Print' settings. In the 'Job' section, choose 'Custom' or 'Fit' for printing. In the 'Actual Size' to print, the file will print some distortions and you will have to use a ruler to measure the pieces. To avoid this, you will have to print the pattern at 100% scale. To do this, you will have to check the 'Scale' box and choose '100%' scale. To do this, you will have to check the 'Scale' box and choose '100%' scale. To do this, you will have to check the 'Scale' box and choose '100%' scale.

The pattern is in centimeters (horizontal) and inches (vertical).

Always print the first page of the file and measure to avoid waste of paper.

After printing the pattern, cut the paper along the lines with sharp scissors and keep the pieces according to the sequence for example page 1A is topped by page 1B in row and page 1A is topped by page 2A in a column. Please see the page below to see how the pieces fit up.
